Dear Mr. Voltaire,

I am pleased to honor your exceptional volunteer work with an Attorney General's Volunteer Award for Community Service for your exceptional volunteer work in founding and managing *Reunion Sportive d'Haiti*, a charitable nonprofit organization dedicated to the well-being of Haitian youth who experienced the 2010 earthquake. Your dedication to organizing soccer camps, youth leadership development programs, and essay competitions is of an outstanding and distinctive character. Additionally, you are commended for your work with the *National Organization for the Advancement of Haitians* to recruit American doctors and medical students to travel to Haiti and provide free medical care to the poor. Your initiative reflects the best values of a Department of Justice employee.

The Attorney General's Annual Volunteer Awards honor Department employees who participate in a wide range of volunteer activities that have a direct impact on the well-being of their communities. You should take great pride in the fact that your volunteer work has made a positive and lasting impact on the citizens and communities we serve. You stand as an example to the rest of us as you selflessly give your time and talents to help others; your work inspires us.

I am grateful for the dedication and passion that you bring to Justice, and I am honored to recognize you for your outstanding contributions to our Nation.

Sincerely,

Eric H. Holder, Jr.
